DIRECTORS' REPORT

Your Directors present their report on the company for the financial year ended 30 June 2021.

Directors

The names of the directors in office at any time during, or since the end of, the year are:

Elected Director	Current Term of office date	Previous Term of office	Director position
Sinead de Gooyer	Ceased 18/11/2020	15/11/2017 - 18/11/2020 12/11/2014 - 15/11/2017	A1
Julie Rogalsky	18/11/2020	15/11/2017 - 18/11/2020 12/11/2014 - 15/11/2017	A1
Therese Tierney	18/11/2020	21/03/2018 - 18/11/2020	A2
Nola Maxfield	21/11/2018	25/10/2012 - 18/11/2015 18/11/2015 - 21/11/2018	B1
Melissa Bastian	20/11/2019		C1
Peter Trye	20/11/2019		C2
Kellie O'Callaghan	21/11/2018	25/10/2012 - 18/11/2015 18/11/2015 - 21/11/2018	B2
Murray Bruce	21/11/2018	18/11/2015 - 21/11/2018	B3
Anne Peek	20/11/2019	16/11/2016 - 20/11/2019	C3
Alex Aeschlimann	18/11/2020		A3

As per clause 10.4 of the Constitution, five Board members elected pursuant to clauses 10.14, and four Board members appointed pursuant to clause 10.16 or 10.17.

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activity

Gippsland PHN is a not for profit charity that works at a regional and local level to achieve improved whole of system health care. We work with general practice, allied health, hospitals and other primary and community health providers; to drive, support and strengthen primary health in Gippsland to meet the needs of local communities.

We are consumer focused and established to reduce fragmentation of care by integrating and coordinating health services and supporting general practice. We leverage and administer health program funding from a variety of sources to commission flexible services to realise our vision of a measurably healthier Gippsland.

Objectives

The Company's objectives (as stated in the Gippsland Health Network Limited Constitution) are to:

- Promote the health of human beings through the prevention and control of diseases (including the Diseases) in human beings by improving Primary Health Care and ensuring that Primary Health Care services are better tailored to meet the needs of communities in the Region. It is proposed that this would be done by:

DIRECTORS' REPORT (CONTINUED)

- focusing on health promotion and disease prevention to achieve improved health outcomes across the Region;
 - improving integration and coordination of Primary Health Care in the Region;
 - improving access to appropriate primary care services in the Region;
 - addressing inequities and service gaps across the Region as they are currently known to exist and which are determined by future research to be undertaken by the Company; and
 - improving the training and skills of persons employed within the primary care area to meet more specifically the needs of the local communities in which the Company will operate.
- Enable the Company to have all the powers and functions necessary or desirable to the maximum extent permitted by law. Without limitation, the Company may seek to achieve its objectives by:
 - Raising money to further the objects of the Company and to secure sufficient funds for the pursuit of the objectives of the Company.
 - Receiving any funds and to distribute these funds in a manner that best achieves the objectives of the Company.
 - Doing all such things as are incidental, convenient, or conducive to the attainment of all or any of the objectives of the Company.

Strategies

To achieve its stated objectives, the Company has adopted the following strategies:

- Improved health outcomes for people with chronic disease and those patients at risk of poor health outcomes.
- Improved coordination of care that ensures patients receive the right care in the right place at the right time.
- Lower prevalence of national and locally prioritized conditions.
- Increased efficiency and effectiveness of medical services and other primary health services.

COVID-19

The impact of COVID-19 on the company's staff, operations, revenue and costs, are continued to being monitored by the Board throughout a second year of mostly work-from-home for staff. The Executive team provides the Board with regular reporting, mitigation plans, and assessment of how staff are coping with the difficulties of working remotely yet still needing to produce a high quality of work. The safety and well-being of all staff, as well as the ongoing ability of the company to provide continuity of service for all contracts and stakeholders, are vitally important to the Board.

Key Performance Measures

The Company measures its performance through the use of both quantitative and qualitative benchmarks. The benchmarks will be used by the Directors to assess the financial sustainability of the Company and whether the Company's short-term and long-term objectives are being achieved.

The Company has a range of measures required by its primary Funder, Commonwealth Department of Health. These measures apply to all programs and services funded by Department of Health.

Note:

Ms Therese Tierney, as PHN Chair, is invited to attend all sub-committee, advisory and clinical council meetings, but is not a member of all. Ms Tierney was a member of Wellington and East Gippsland Clinical Council and Clinical Advisory Council from 01/07/2020 to 18/11/2020.

Mr Nathan Voll is an independent member of the Audit, Risk and Finance Committee but is not a Director.

Indemnification of Officer or Auditor

The Company has paid an annual premium to insure the Directors' and Officers' against liabilities incurred in their respective capacities. Under the policy, details of the premium are confidential.

DIRECTORS' REPORT (CONTINUED)

Proceedings on Behalf of the Company

No person has applied for leave of Court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The Company was not a party to any such proceedings during the financial period.

Contributions on winding up

The Company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the Company is wound up the constitution states that each member is required to contribute a maximum of \$50 towards meeting any outstanding obligations of the Company. At 30 June 2021 the total amount that members of the company are liable to contribute if the Company is wound up is \$2,500.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 9 of this financial statement.

Signed in accordance with a resolution of the Board of Directors:

Ms Therese Tierney
Chair

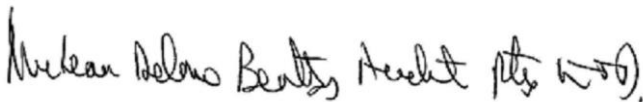

Ms Julie Rogalsky
Deputy Chair

Dated this 15 day of September 2021.

**AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 60-40 OF THE
AUSTRALIAN CHARITIES AND NOT-FOR-PROFITS COMMISSION ACT 2012
TO THE DIRECTORS OF GIPPSLAND HEALTH NETWORK LIMITED**

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2021 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Australian Charities and Not-for-profits Commission Act 2012 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are for Gippsland Health Network Limited as an individual entity, incorporated and domiciled in Australia. Gippsland Health Network Limited is a not-for-profit company limited by guarantee.

Statement of Compliance

The financial reports are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in the financial statements containing relevant and reliable information about transactions, events, and conditions. Material accounting policies adopted in the preparation of this financial statements are presented below. They have been consistently applied unless otherwise stated.

Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement of fair value of selected non-current assets, financial assets and financial liabilities. Historical cost is generally based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, except as explained under changes in accounting policies.

(a) Economic dependence

Gippsland Health Network Limited is dependent on the Department of Health (the “Department”) for the majority of its revenue used to operate the business. At the date of this report the Board of Directors has no reason to believe that the Department of Health will not continue to support Gippsland Health Network Limited.

(b) Income Tax

The Company is considered to be exempt from income tax under Subdivision 50-B of the Income Tax Assessment Act 1997 as a charitable institution.

(c) Business combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value which is calculated as the sum of the acquisition-date fair values of assets transferred by the Company and liabilities incurred by the Company to the former owners of the acquiree and the equity instruments issued by the Company in exchange for control of the acquiree. Acquisition-related costs are recognised in profit or loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value with assets or liabilities related to employee benefit arrangements being recognised and measured in accordance with AASB 119 Employee Benefits.

Where the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill or the bargain purchase gain. Measurement period adjustments are adjustments that arise from additional information obtained during the ‘measurement period’ (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Business combinations (continued)

The subsequent accounting for changes in the fair value of contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or liability is remeasured at subsequent reporting dates in accordance with AASB 139 *Financial Instruments: Recognition and Measurement*, or AASB 137 *Provisions, Contingent Liabilities and Contingent Assets*, as appropriate, with the corresponding gain or loss being recognised in profit or loss.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised as of that date.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of six months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(e) Property, plant and Equipment

Property, plant and equipment, are brought to account at cost less, where applicable, any accumulated depreciation and impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the financial period in which they are incurred.

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the estimated replacement cost of the asset. The cost of plant and equipment constructed within the Company includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Depreciation

The depreciable amount of all plant and equipment are depreciated over their useful lives to the Company commencing from the time the asset is held available for use.

The depreciation method and rates used for each class of depreciable asset are:

Class of Property, Plant and Equipment	Depreciation rates	Depreciation method
Buildings	3.5%	Straight line
Motor vehicles	22.5%	Straight line
Furniture and fittings	13%	Straight line
Computer equipment	40%	Straight line

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each statement of financial performance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) Property, plant and Equipment (continued)

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the profit or loss.

(f) Impairment of Assets

At each reporting date, the Company reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and replacement cost, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed, unless the asset is carried at a revalued amount, the impairment loss is then treated as a revaluation decrease.

(g) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the entity commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Trade receivables are initially measured at the transaction price if the trade receivables do not contain significant financing component or if the practical expedient was applied as specified in AASB 15.63.

Classification and subsequent measurement

(i) Financial liabilities

Financial liabilities are subsequently measured at using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability cannot be reclassified.

(ii) Financial assets

A financial asset is subsequently measured at amortised cost when it meets the following conditions:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

(i) Derecognition of financial liabilities

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

(g) Financial Instruments(continued)

(ii) Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All of the following criteria need to be satisfied for derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the entity no longer controls the asset (ie it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

Impairment

The entity recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- lease receivables;
- contract assets (eg amount due from customers under construction contracts);
- loan commitments that are not measured at fair value through profit or loss; and
- financial guarantee contracts that are not measured at fair value through profit or loss.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

Simplified approach

The simplified approach does not require tracking of changes in credit risk in every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

This approach is applicable to:

- trade receivables or contract assets that result from transactions that are within the scope of AASB 15, that contain a significant financing component; and
- lease receivables.

In measuring the expected credit loss, a provision matrix for trade receivables was used taking into consideration various data to get to an expected credit loss (ie diversity of its customer base, appropriate groupings of its historical loss experience, etc).

Recognition of expected credit losses in financial statements

At each reporting date, the entity recognised the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

(h) Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to reporting date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Company to an employee superannuation fund and are charged as expenses when incurred.

(i) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

(j) Revenue

Fees and charges

When the Company receives fees and charges, the Company:

When both these conditions are satisfied, the Company:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

When the Company receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Company:

- recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards (for example AASB 9, AASB 16, AASB 116 and AASB 138);
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Company recognises income in profit or loss when or as it satisfies its obligations under the contract.

Capital grant

When the Company receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

The Company recognises income in profit or loss when or as the Company satisfies its obligations under terms of the grant.

Interest income

Interest income is recognised using the effective interest method.

All revenue is stated net of the amount of goods and services tax.

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

(l) Leases

At inception of a contract, the Company assesses if the contract contains, or is, a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Company where the Company is a lessee. However, all contracts that are classified as short-term leases (ie a lease with a remaining lease term of 12 months or less) and leases of low-value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially, the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the Company uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options, if the lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date, as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset, whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Company anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Concessionary leases

For leases that have significantly below-market terms and conditions principally to enable the Company to further its objective (commonly known as peppercorn/concessionary leases), the Company has adopted the temporary relief under AASB 2018-8 and measures the right-of-use assets at cost on initial recognition.

(m) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is current when:

- (i) it is expected to be realised or intended to be sold or consumed in normal operating cycle; or
- (ii) it is held primarily for the purpose of trading; or
- (iii) it is expected to be realised within twelve months after the reporting period; or
- (iv) the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- (i) it is expected to be settled in normal operating cycle;
- (ii) it is held primarily for the purpose of trading; it is due to be settled within twelve months after the reporting period; or
- (iii) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

(n) Critical Accounting Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, which management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results.

The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Estimation of useful lives of assets

The Company determines the estimated useful lives and related depreciation and amortisation charges for its plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Employee benefits provision

As discussed in note 1(h), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

(o) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTE 10: PROVISIONS			
Current			
Annual leave		251,200	249,000
Non-current			
Long service leave		183,763	150,060
		434,963	399,060

(a) *Provision for Employee Entitlements*

A provision has been recognised for employee entitlements relating to annual and long service leave for employees. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon historical data. The measurement and recognition criteria for employee benefits have been included in Note 1(h).

NOTE 11: MEMBERS' GUARANTEE

The Company is incorporated under the Corporations Act 2001 and is a company limited by guarantee. If the Company is wound up the constitution states that each member is required to contribute a maximum of \$50 towards meeting any outstanding obligations of the Company. At 30 June 2021 the total amount that members of the Company are liable to contribute if the Company is wound up is \$2,500.

NOTE 12: KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority or responsibility for planning and controlling the activities of the Company, directly or indirectly, including any director (whether executive or otherwise) of that entity is considered key management personnel (KMP). The totals of remuneration paid to KMP of the Company during the financial year are as follows:

	Note	2021 \$	2020 \$
KMP compensation		856,871	770,586

NOTE 13: RELATED PARTY TRANSACTIONS

Related parties include close family members of KMP and entities that are controlled or jointly controlled by those KMP, individually or collectively with their close family members.

Transactions with related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated. Transactions with related parties are detailed below:

Director names	Nature of transactions	2021	2020
		\$	\$
Nathan Voll (independent member Audit, Risk, and Finance Committee)	The Doctors in Secondary Schools program is run under the auspices of the Department of Education and Training. Nathan Voll has an appointment in that Department.	432,660	451,712

NOTE 14: NOTES TO THE STATEMENT OF CASH FLOWS

(a) *Reconciliation of cash and cash equivalents*

Cash at the end of the financial year as shown in the statement of cash flows is reconciled to items in the statement of financial position as follows:

Cash at bank		16,434,414	18,310,600
Cash on hand		<u>13,624</u>	<u>18,459</u>
Total cash and cash equivalents	4	<u>16,448,038</u>	<u>18,329,059</u>

(b) *Reconciliation of net cash provided by operating activities with surplus for the year*

Surplus for the year		195,029	381,330
Non-cash flows included in the deficit for the year			

Depreciation – property, plant and equipment		71,545	68,789
Depreciation – ROU assets		258,520	269,259

Changes in assets and liabilities:

(Increase) / Decrease in trade receivables		(44,628)	46,313
(Decrease) / Increase in trade and other payables		(5,815)	1,527,435
Decrease / (Increase) in other current assets		28,659	(165,108)
(Decrease) / Increase in grants in advance		(2,095,241)	2,356,860
Increase in provisions		35,903	113,117
		<u>(1,556,028)</u>	<u>4,597,995</u>

(c) *Non-cash transactions:*

There were no non-cash investing or financing activities.

NOTE 15: FINANCIAL RISK MANAGEMENT

Financial Risk Management Policies

The Company's financial instruments consist mainly of deposits with banks, short-term deposits and accounts receivable and payable.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

Financial Assets

Cash and cash equivalents	4	16,448,038	18,329,059
Receivables (excluding statutory receivables)	5	<u>442,229</u>	<u>426,260</u>
Total Financial Assets		<u>16,890,267</u>	<u>18,755,319</u>

Financial Liabilities

Financial liabilities at amortised cost:

- Trade and other payables (excluding statutory liabilities)	7	<u>5,789,718</u>	<u>5,798,319</u>
Total Financial Liabilities		<u>5,789,718</u>	<u>5,798,319</u>

NOTE 16: EVENTS AFTER REPORTING DATE

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial years.

NOTE 17: CONTINGENT LIABILITIES

There are no contingent liabilities as at 30 June 2021.

NOTE 18: COVID-19

The impact of COVID-19 on the company's staff, operations, revenue and costs, are being monitored by the Board. The Executive continues to provide the Board with regular reporting and where necessary, mitigation plans, to ensure the safety and well-being of all staff, as well as the ongoing ability of the company to provide continuity of service for all contracts and stakeholders.

NOTE 19: COMPANY DETAILS

The registered office and principal place of business of the Company is:

Gippsland Health Network Limited
11 Seymour Street
TRARALGON VICTORIA 3844

DIRECTORS' DECLARATION

In accordance with a resolution by the directors of Gippsland Health Network Limited, the directors of the Company declare that:

1. The financial statements and notes, as set out on pages 10 to 27, are in accordance with the Corporations Act 2001 and:
 - a. Comply with Australian Accounting Standards – Reduced Disclosure Requirements; and
 - b. Give a true and fair view of the financial position of the Company as at 30 June 2021 and of its performance for the financial year ended on that date.
2. In the directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board of Directors:

Ms Therese Tierney
Chair

Ms Julie Rogalsky
Deputy Chair

Dated this 15 day of September 2021.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND HEALTH NETWORK LIMITED

Opinion

We have audited the financial report of Gippsland Health Network Limited, which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the financial report of Gippsland Health Network Limited is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- (a) giving a true and fair view of the Entity's financial position as at 30 June 2021 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements, and Division 60 of the Australian Charities and Not-for-profits Commission Regulations 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Not-for-profits Commission Act 2012, which has been given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The Directors of the Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF GIPPSLAND HEALTH NETWORK LIMITED (CONTINUED)**

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
