

Leongatha Healthcare are inviting expressions of interest for a GP Obstetrician role,
DRANZCOG (adv) an advantage.

GPO's provide antenatal and postnatal care through a privately owned well managed General Practice,
also providing VMO GP Obstetric services through Gippsland Southern Health Services - Leongatha Hospital.
Supported and mentored by 5 experienced GPO's, Leongatha is one of the busiest
Rural Generalist run maternity units in Australia with approx. 200 births per year.

This excellent service promotes continuity of care both before, during and beyond pregnancy with the ability to
manage your own patients labour and birth.

"The GPO team at **Leongatha Healthcare** excel at working
together collaboratively, to support each other and their patients
through childbirth and into the future."

Leongatha is situated in the picturesque hills of South Gippsland; Victoria.
A town of approximately 7,000 people, it is a bustling centre for the surrounding farming community,
renowned for the production of quality award winning produce.
Visit wonderful cafes and wineries, walk the Great Southern rail trail, swim or surf at one of our local beaches.
Situated within one hour of Wilson's Promontory National Park
or the Latrobe Valley, with the Victorian snowfields beyond, we are literally
"between the mountains and the sea".

We offer the support of a well-established privately owned accredited General Practice,
with a strong culture of inclusivity, care and respect lead by a Practice Manager with 20 years' experience.
With a strong passion for developing the future workforce, Leongatha Healthcare is an
accredited training practice, with award winning supervisors,
Dr Chris Ford recognised as the RACGP supervisor of the year 2022 &
Dr Graham Toohill EVGP supervisor of the year 2022.

We are looking for someone who will embrace our community and take joy in
continuity of care through all stages of life.

If this sounds appealing please contact us via email jrobb@leongathamedical.com.au
or phone Judy on 0356 622201
