

IMPROVING CLINICAL PSYCHOLOGY COMPETENCIES IN WORKING WITH OLDER ADULTS IN RURAL RESIDENTIAL AGED CARE FACILITIES

2.00 CPD HOURS PER WORKSHOP
LOCATION: ONLINE VIA ZOOM

OVERVIEW

This series of workshops has been developed to upskill psychologists working in regional and rural Victoria to work therapeutically with aged care residents. Each workshop will comprise a 1-hour webinar followed by a 1-hour peer supervision discussion.

The workshops aim to provide psychologists with opportunities to improve their competence and confidence in working with older adults, enhance peer networking opportunities, and provide aged care residents greater access to evidence based mental health interventions.
