Victorian Government*

TOPICS AND SPEAKERS

BREAST DENSITY UPDATES

- Dr David Speakman and Dr Virginia 'Ginny' Baird explore how breast density influences cancer risk and mammographic sensitivity, and detail current recommendations in both the Victorian and Tasmanian context.

CANCER SCREENING FOR THE LGBTQ+ COMMUNITY

- A/Prof Ruth McNair AM will provide insights on opportunities to optimise cancer screening in the LGBTQ+ community.

CULTURALLY SAFE CANCER SCREENING FOR ABORIGINAL AND TORRES STRAIT ISLANDER PEOPLE

- Emma Robertson will discuss culturally safe cancer screening practices for Aboriginal and Torres Strait Islander people.
