

Expression of Interest

As a part of the Latrobe Health Innovation Zone, Gippsland PHN are working towards increasing participation rates of cervical screening within Latrobe.

Gippsland PHN have commissioned Family Planning Victoria to provide a locally delivered, tailored three- day training specific for nurses.

At no cost to participants this unique opportunity will be available via a simple expression of interest application.

Are you a Registered Nurse with a special interest in women's/reproductive/preventative health looking to gain additional qualifications and skills?

To submit an EOI please click on this link: [Expression of Interest Form](#)

Applications will be processed according to date received up to a maximum of 15 participants.

Subject to COVID restrictions this course may be provided via e-learning.
