

Face to face:

Building Cultural Awareness & Safety: Cultural Journey Workshop & Aboriginal Cultural Safety for GPs and Their Practices

An invitation is extended to General Practitioners, their practice staff and interested healthcare workers to attend this education event

This training will be delivered in 2 parts.

1. Introduction to Aboriginal Society
2. Aboriginal Cultural Safety for GPs and Their Practices

Part 1: Cultural Journey Workshop

This Cultural Journey workshop has been designed to introduce participants to the impact that history has had on Aboriginal and Torres Strait Islander people. We reflect on our journey and share personal and professional experiences working within the Victorian Aboriginal community. This is the start of your journey, so we encourage you to continue as you strengthen your knowledge and understanding of the first Australians and their way of life.

OUTCOMES

At the conclusion of the session, participants will:

- Identify factors that affect Aboriginal and Torres Strait Islander people
- Identify ways to effectively engage with communities and ACCOs
- Articulate initiatives to support improved Aboriginal health outcomes
- Draw conclusions of how history impacts on Aboriginal health

Part 2: Aboriginal Cultural Safety for GPs & Their Practices

This training will assist organisations to gain an understanding of what it takes to build a culturally safe practice and workplace for Aboriginal and Torres Strait Islander people.

The program builds on the Cultural Journey workshop where we support participants to identify some of the barriers that impact on a services ability to provide a culturally safe service.

OUTCOMES

At the conclusion of the session, participants will:

- have an increased understanding of what cultural safety is
- know key challenges and barriers (Past govt policy impacts)
- gain insights into how to implement changes in the practice in service to your Aboriginal and Torres Strait Islander community.
