

GP AND PRACTICE NURSE FORUM

Gippsland
Region Public
Health Unit

Part of Latrobe Regional Health

The Gippsland Region Public Health Unit (GRPHU) invites you to join us at our upcoming GP and Practice Nurse Public Health Forum.

The forum will provide essential updates to GPs and Practice Nurses working across Gippsland region on key public health issues.

At our November forum, we will present:

- An overview of notifiable diseases that have transitioned from the Department of Health to GRPHU for local case, control and outbreak prevention and management measures
- A communicable disease update by GRPHU Infectious Diseases Physician, Dr Alex Tai
- Q&A discussion
