(Bass Coast 4 / Latrobe City 21 / Baw Baw 4 / South Gippsland 2 / Wellington 2)

TOTAL EXPOSURE SITES IN GIPPSLAND - 23

Latrobe City

The total active COVID-19 positive cases in Latrobe City is 21.

Ten of these cases are linked to known outbreaks.

There are new exposure sites associated with these cases. These sites are Tier 1 and Tier 2.

Anyone who has visited a Tier 1 exposure site during the times listed must immediately isolate, get a COVID-19 test and quarantine for 14 days from the date of exposure regardless of the result.

Tier 1 represents exposure sites where people attending are at greatest risk of catching the virus and passing the infection to others. We regard people who have been at a Tier 1 site in the relevant time period as 'close contacts'.
