Step 2

On the right hand side of screen – click 'Reviews'

Step 3

Write your Review

Tips

When writing a review

Do:

- Keep it short - maximum 300 words.
- Share your experience of how it helped a patient.
- What benefit was achieved and impact on health outcomes.

Don't:

- Review apps that you have no experience with.
- Use patient or healthcare provider names.
- Make comments that are defamatory towards solutions.
