

# Thinking about completing the Voluntary Assisted Dying (VAD) training?

## Latrobe Regional Health

**Join your colleagues for a dedicated day to complete the mandatory VAD online training.**

On successful completion, you will be able to provide assessments for your patients seeking VAD to the level you feel comfortable.

|---------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>When and where</b>                 | <ul style="list-style-type: none"> <li>Monash Rural Health – LRH campus</li> <li>Tuesday 17<sup>th</sup> November 8.45am – 4pm</li> <li><b>Registration essential via this link <a href="#">LRH training day</a></b></li> </ul>                                 |
| <b>Who</b>                            | <ul style="list-style-type: none"> <li>You must be a <b>fellow of a medical college</b> – including newly admitted</li> <li>All GPs and specialists are welcome (not only host service)</li> <li>GPs: The day is approved for 7.5hrs RACGP CPD hours</li> </ul> |
| <b>Complete the required training</b> | <ul style="list-style-type: none"> <li>A semi-structured timeframe to work through the online modules</li> <li>Regular summary of key points of each module provided through the day</li> <li>Supported by the VAD Navigator service &amp; others</li> </ul>    |
| <b>Meet with local VAD clinicians</b> | <ul style="list-style-type: none"> <li>Gain insight into the personal and professional experience of participating in VAD with discussions on consultations and completing eligibility assessments</li> </ul>                                                   |

- The day aims to enable you to complete the training in the most effective way possible, with input from the state-wide services and medical colleagues.
- Lunch and refreshments provided

### What to do next

- Register to attend [LRH training day](#)**  
& book the day off work +/- apply for study leave if an option
- Also register for the training <https://vicvadlearninghub.com>**  
(do this at least a day before you plan to start the training as per next step)
- Complete Modules 1 & 2 (or more)** (approx. 1.5-2 hours) in your own time before the scheduled day. This helps us make the most of the day and ensures you can access the training.
- BYO laptop and headset** – internet will be provided on the day
