

## MyMedicare

### Patient messaging for GPs, practice nurses and other clinical staff

- MyMedicare is voluntary and free.
- I can still provide health services to you if you don't register with me (or this practice).
- If you do register with me, you will be able to access longer telephone consultations and may be eligible for longer telehealth video consultations.
- Over time, MyMedicare will help this practice better understand your health needs and provide suitable services.
- MyMedicare will help ensure continuity of care, provide a greater focus on prevention, and more funding to support a team of health professionals to meet your healthcare needs.
