

Webinar opportunity: Tuesday 13 May 6:30 - 8:00pm AEST

Eating disorders:

The context, your role, and tools to support you

NEDC and EDV invite you to join us for an engaging webinar on eating disorders.

During the webinar, attendees will hear from the NEDC and EDV teams about:

- The context for eating disorders in Victoria, including the stepped system of care, Victorian Eating Disorders Strategy, and the National Eating Disorders Strategy
- The role of GPs and PHNs in preventing, identifying, responding and providing treatment for people experiencing eating disorders
- The core principles of treatment for eating disorders
- Referral pathways within Victoria, including updates on new initiatives and programs
- Services and supports available through Eating Disorders Victoria
- Training, tools and resources to support you in your role

This webinar is provided in collaboration with Murray PHN, Eastern Melbourne PHN, South Eastern Melbourne PHN, Gippsland PHN, and North Western Melbourne PHN.

The webinar is for GPs, nurses, practice nurses, and other health professionals involved in the response to and care of people at risk of, or experiencing eating disorders.

This webinar is accredited by the Royal Australian College of General Practitioners (RACGP) as an approved CPD activity (1.5 hours) under the RACGP CPD Program.
