[CLICK HERE TO REGISTER](#)

Wednesday 29 Sept 2021

12pm – 1.30pm

[CLICK HERE TO REGISTER](#)

***Note: both events will be held online via Zoom.***

***Once registered you will receive a link to join the meeting.***

## **BOOKING DEADLINE**

Bookings will be open until  
**1 day before each event.**

Gippsland Primary Health Network (PHN) invests in local mental health care services and drug/alcohol supports.

We are planning services for 2022/2023 and would like community members to be part of the process.

Help us make better decisions about the types of services needed to meet your needs.

- How can we make services easier to find or easier to access?
- What are your expectations when you use a service?
- How can we improve your experience of using a service?
- How can we make sure there are services available at all stages of your wellbeing or recovery journey?
- How can we encourage services to work together?

We look forward to hearing your ideas and recommendations.

The events are hosted by people with lived experience (external to Gippsland PHN). You are welcome to attend with a friend or carer or worker.

The expertise and contribution of people with a lived experience of a mental health condition is valued. People who participate in these events outside of a paid professional role will be reimbursed for their time and contribution through participation vouchers (\$50).

Contact us if you have any questions ([projectmanagement@gphn.org.au](mailto:projectmanagement@gphn.org.au) or 0418 595 781).

*See [Gippsland PHN Events page](#) for all event information*
