BOOKING DEADLINE

Bookings will be open until
one day before each event.

Gippsland PHN's 2022/2023 Primary Mental Health Care and AOD Procurement is opening in November 2021.

The aim of the Commissioning strategy is to ensure Gippsland PHN is commissioning services which effectively meet the current needs of the Gippsland community.

We invite service providers, healthcare professionals and stakeholders to be part of the process. We invite you to co-design solutions with us.

Attend one of our online events to:

- **Discuss the needs of the community**
- Suggest evidence-based and outcome-focused solutions
- Identify ways to align with recommendations from the Royal Commission into Victoria's Mental Health System
- Explore opportunities to **adopt a whole-of-system approach** to meeting health needs and delivering improved health outcomes
- Put outcomes for consumers at the heart of the commissioning strategy
- Work collaboratively and build connections with other providers

The sessions will be facilitated by external consultants.

See [Gippsland PHN Events page](#) for all event information
