

## SUE SHADBOLT

**PALLIATIVE CARE  
NURSE EDUCATOR/  
GIPPSLAND VAD  
CARE NAVIGATOR**

Sue Shadbolt works in an education role within the Palliative Care Consultancy Gippsland Team and across Latrobe Regional Hospital. She also serves as a Gippsland Voluntary Assisted Dying Care Navigator, supporting patients, families, and healthcare professionals throughout the Voluntary Assisted Dying pathway.

Sue has worked in the field of palliative care for many years, bringing extensive experience and a strong commitment to improving end-of-life care. From 2011 to 2019, she worked as a Donation Nurse Specialist with DonateLife Victoria, where she played a key role in supporting organ and tissue donation processes and promoting community awareness.

Sue remains actively involved with DonateLife Victoria in a voluntary capacity, delivering education and information sessions on organ donation throughout Gippsland and participating in community events to increase awareness and encourage informed conversations about donation.
