

# Pivoting to the perpetrator: How to engage with patients who use domestic and family violence

Wednesday 27th July 2022

7.00 - 8.30 pm AEST

*"Identify when violence is occurring and respond appropriately to disclosures"*

*GP-led learning*

*90 min workshop*

*"Learn strategies to help people who use domestic violence to seek help for their behaviour"*

- 90 minute interactive session for GPs and other primary care providers
- Enhance your confidence to safely engage with people who use violence
- Panel of experts will discuss how to sensitively ask and respond to disclosures and encourage your patients to seek help appropriately.

GPs can attain 3 CPD points for attending either session  
(40 CPD points for both sessions has been applied for)

Part 1 session is Intro level. Part 2 session is Advanced level to be held 19 Oct 2022
