

ARE YOU PROVIDING CARE OR SUPPORT TO SOMEONE WITH BIPOLAR DISORDER?

We would like to hear about your experiences of accessing support for your loved ones' health and wellbeing needs.

Who can participate in the research project?

- Adults (over 18) living in Australia who are providing care or support to someone living with a diagnosis of bipolar disorder.

What will it involve?

- You will be asked to complete a brief online survey to register your interest (5 mins).
- You may then be invited to participate in an online interview (1 hour).
