Part 1

**Presented by Wendy O'Meara
(Associate Education
Consultant Larter)**

This webinar will cover the following valuable content tailored exclusively for practice nurses: MBS billing; overview of care planning; item numbers for which nurses can assist in generating MBS revenue; telehealth billings; lesion removal; chronic disease management; changed MBS rules in relation to aftercare; and a 2022 MBS update.

Part 2

**Presented by Angela Aitken,
Project Officer Health
Innovation and Integration**

This interactive session will give practices an overview of useful tools in POLAR and walk through processes requested by practice staff.

If you have any burning questions you would like answered in this session, please send to events@gphn.org.au so they can be scheduled into the agenda.

Please see learning outcomes and further information on Gippsland PHN website
