

QI Data Exchanging PIP Practices

If your general practice is accredited with the RACGP, currently participating in PIP, sharing data via POLAR with Gippsland PHN, and undertaking quality improvement activities, your practice may be eligible for up to \$50,000 with the PIP QI Incentive. The below checklist will provide you with more information and guide you with how to access this incentive.

Before you register

1. Read the overarching [PIP Guidelines](#)
 2. Read the [PIP QI Incentive Guidelines](#)
 3. Read the [PIP Eligible Data Set Data Governance Framework](#)
 4. Review the [Improvement Measures](#)
 5. Ensure you have an up to date data sharing agreement with Gippsland PHN
- If you have any questions check the [Who do I ask](#) fact sheet & [FAQs](#) for help

How to register

1. Register via [HPOS](#) using your PRODA account from 1 August 2019 onwards
- For help with PRODA accounts contact [DHS](#)

After you register

1. Let Gippsland PHN know that you have applied for the PIP QI Incentive
2. Provide Gippsland PHN with your PIP Practice Identifier
3. Submit the PIP Eligible Data Set to your local PHN on a quarterly basis in compliance with the PIP Eligible Data Set Data Governance Framework
4. Work in partnership with Gippsland PHN on practice relevant CQI activities
5. Retain evidence of the CQI activities you have undertaken
6. Sign and return the [annual confirmation](#) statement by the due date

Gippsland PHN will be available for clarification and support as you navigate the requirements for PIP QI. Your Regional Services Officer will provide updated details to you as they become available, along with this information being published on the [Gippsland PHN website](#) and in the weekly General Practice Support email.
