NEW ASTHMA GUIDELINES

RESHAPING ASTHMA MANAGEMENT

FREE ONLINE MASTERCLASS

Gain expert insights into the key changes to the National Asthma Council Australian Asthma Handbook, reshaping optimal asthma management and care in Australia. Hear from A/Prof Rigby and Dr Montgomery as they unpack the latest updates and what they mean for asthma care in Australia. Learn how to navigate the new guidelines, gain practical insights and clinical tips and explore how to communicate these changes with your team and patients.
